Hey ... HEY !

Sir ! ... I ... uh ... Oh.

Commander called me ..

You startled me ... Sergeant.

He has a visitor ... You must wait ... Okay with that ?

Oh? Sure ...

Clean your mouth, dude ...

Yes ! Yes ! Understood !

You may enter now, Sergeant

Sure.

Uh ..

Sergeant ! Come in !

Sir !!

Extraordinary persons ... She ...

She was a prostitute ..

Yes, so ...

A month left before transfer, yeah ?

Pardon?

You want to postpone the transfer??

Yes, it's going to take more than a month for your replacement to arrive.

And as you are aware, we have a pretty busy schedule next month ...

Stay a month longer and leave with a fat bonus. It's not a bad deal

I want you to think about it

If I didn't ... accept his proposal, would I have been spared of the misfortune ?

And then 3 years later, I ...

I am experiencing worse than that ...

Fuck ... this is worse than I figured.

Would the share of Tocan have been like this ?

* 2007 S.Korea oil spill

Humans ... take no responsibility for their deeds ...

Completely forgetting the fact that consequences of their actions will come back to them one day ...

Was it because of the unsanity
dense fog on that day ... ?

Because I was thinking that this side
was perhaps what it was like to be in
the hell ...

3 Purgatory

Seize fire!
Seize fire!

1st company, proceed!

Exterminate the remnant !!

That was really ..

The definition of fear and astonishment ..

Bodies with either gun shot wounds or burn .. or even both

Was killing few terrorists justifiable to take lives of all these people ?

Ah..

A.. Ar..

أرجوك انتظم !
Arjuk onkyam !

What did she say .. ?

"Kill me?"
"Save me?"
Or just curses ?

What was really important to me at that moment was ..

탕!

.. That I just wanted to get the hell out of there ..

I see ..

Perhaps, this is the punishment for my sins ..

Is Fero riding this camel ..

I will check this shame one more

Uh..

Oh, well ..

the wind has spread the dense fog all over ..

I should go back before I get lost ..

Wh.. Wh.. What was that .. just now .. ?

Can't be ..

Something is ..

Here ..

A beast ..

Do not upload my projects to online manga readers. My projects must remain free of profits.
Do not upload to Mangahere, Mangahere, Manga.la, MangaFast, Mangaka, and so on... (You get the gist)
